LIBRARY*Pay and Allowances*

The Westminister Bank is in a position to receive military pay and allowances, and to credit these to any of its branches upon the necessary instructions from an Officer to his Command Paymaster. Amongst its less familiar capacities, the Bank is able to arrange periodical payments by Agents abroad, and conversely to receive money sent from overseas for forming a capital basis which is secure and accessible. It will also undertake regular payments at home such as club subscriptions, insurance premiums, and school fees, and will accept Powers of Attorney to deal with customers' investments during absence abroad.

of the Aldershot Branch or from any
other Branch which may
be convenient*

HISTORY OF THE GREAT WAR BASED ON OFFICIAL
DOCUMENTS

Military Operations EGYPT PALESTINE

By
Lieut.-General SIR GEORGE MACMUNN, K.C.B., K.C.S.I., D.S.O.,
and
Capt. CYRIL FALLS.

Egypt early became of vital military importance if only from the necessity of defending the Suez Canal and the route to India. The history of the operations in this theatre possesses a very great interest, not only to those who took part in the events narrated, but also to all students of military history at home and overseas. The first volume has now been published as part of the Official History of the Great War.

It covers a period of nearly three years, from the outbreak of the war with Germany to June 1917, when, after deadlock had followed the Second Battle of Gaza, the War Cabinet decided upon the invasion of Palestine.

It thus includes an account not only of the preliminary defence of Egypt against invasion and the expulsion of the enemy from the Sinai Peninsula, but also of the First and Second Battles of Gaza.

The authors have depended chiefly on official records and documents, but they have supplemented this from external and non-official sources. Among the latter it is of interest to record the criticism which some chapters have received from the present Prime Minister of Iraq, who commanded the troops of the Senussi against the British in 1915 and 1916.

The maps bound in the volume are sufficient to enable the general reader to follow the trend of events. For the benefit of specialist students a separate case of maps and plans is provided. The volume is fully illustrated with photographs, some of which are panoramic and give an excellent idea of the country encountered.

Vol. I. Price 12s. 6d. net. Postage 9d. extra.

THE
MONTHLY
ARMY LIST

FOR
MAY, 1930.

NOTICES.

Under the provisions of the Army Act, 1881, Section 163(d), this Army List is evidence of the status and rank of the officers mentioned in it.

No Army List, except this List, its Half-Yearly Supplement and the Half-Yearly List, is authorised by the War Office.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in elliptical brackets, *e.g.* (2), after his name; a number enclosed in square brackets, *e.g.* [2], denotes that the officer is *attached* and not posted.

Communications from officers of the Militia, Territorial Army and Supplementary Reserve regarding the entry in this publication (a) of letters denoting military qualifications, and (b) of the symbol \times denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors, or omissions should be addressed direct as follows:—

THE UNDER-SECRETARY OF STATE,

Army List.

*The War Office,
London, S.W.1.*

Officers who succeed to peerages, baronetcies, or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army List and in the official records of the War Office.

HISTORY OF THE WAR IN EGYPT AND PALESTINE

By

*Lieut.-General Sir GEORGE MACMUNN, K.C.B., K.C.S.I., D.S.O.,
and Capt. CYRIL FALLS.*

The history of the operations in Egypt and Palestine possesses a very great interest, not only to those who took part in the events narrated, but also to all students of military history at home and overseas. The first volume has now been published as part of the Official History of the Great War. It covers a period of nearly three years from the outbreak of the war up to June, 1917, and it thus includes an account, not only of the preliminary defence of Egypt against invasion and the expulsion of the enemy from the Sinai Peninsula, but also of the First and Second Battles of Gaza.

Case of Maps 5s. 6d. net. „ 6d. „

“ A masterpiece of careful research.”—Daily Telegraph.

“ The whole account is clear and simple. Once again the interests of military history have been well served.”

Subscriptions and donations in support of the Charity will be thankfully received by Lloyds Bank, Ltd., Cox's and King's Branch, 6, Pall Mall, London, S.W. 1, or by the Secretary, Major H. S. Marshall, D.S.O., at the Offices of the Home.

The Home was constructed and is equipped for 150 girls, and the desire of the Committee is to maintain the full complement.

The need of such an Institution is apparent from the fact that there is always a long waiting list for admission.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

MILITARY WIDOWS' FUND. BRITISH SERVICE.

This Fund enables a British Service (Army) officer, by subscribing from Rs. 6 to Rs. 10 per quarter, to assure, in the event of his death while on the Indian Establishment, immediate payment :—

To his widow	Rs. 8,775 to Rs. 12,875
For each child	„ 750 to „ 1,125

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the rank of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tour in the country as a married officer, but not in excess of four years.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission apply to :—

Military Widows' Fund,

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 457 widows have been elected. There are 70 widows in the Home, in addition to 20 widows receiving pensions. Each inmate has a furnished room, and receives twelve shillings a week and a monthly allowance for coal.

The total funded income of the Charity falls short of the estimated average annual cost by about £1,000.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.

ESTABLISHED 1803.

This Fund is administered by Trustees under a scheme approved by the Charity Commissioners, in whose name the Capital is invested.

This fund also nominates children of such Officers and Men to Army and Navy Schools.
